Porton Court, Portsmouth Road, Surbiton, Surrey. KT6 4HY

FAT BLOCKS DRAINS!

In the middle of all the garage works we had a major blockage in the soil pipe draining the whole of Kingston Block. This resulted in water backing-up into one of the Ground Floor flats. NOT PLEASANT!

The cause was a huge slug of congealed fat which could only have got there down residents' sinks. *Please do not dispose of fat or oil down your sink!* Why not keep an old coffee jar to pour oil and fatty liquids into, and when full it can be disposed of in the landfill bins.
